### Grand Knight's Notes

My Brother Knights,

As Knights and as Catholic gentlemen, we hold the health of Pope Francis in our hearts and prayers and continue to pray for his recovery while also rejoicing in his release from the hospital.

We have entered the Lenten season and are called to reflect inward and ask ourselves, "Am I the person God created me to be? Am I fostering the growth of holiness in others or hindering it? -Father Dave Pleier" We each seek to be the person God has wanted us to be and through the Knights we are able to help reach these goals. I challenge you all to reflect on these goals for the remainder of Lent.

We are a council that values service above self. We continue to promote service to the community through the Sunday supper which saw 10 members and their spouses support 40 meals to those less fortunate. We also supported donations to the community as well.

We celebrated the induction of three new Knights to the council and had an e-member join our council as well. Thank you to Membership Director Jeff Thompson and those that assisted in our membership drive for their efforts. I ask you to welcome our newest brother Knights: **David Olsen, David Duvall, and James Tyeptanar** and e-member **Brad Yaggie** to our council. This puts us ever closer to our membership goal for Star Council of 9 members. We need just two more members to join by June 30<sup>th</sup> to hit this goal. If you know of a Catholic Gentlemen who would be a good Knight of Columbus, please let myself or any of the leadership team know.

Vivat Jesus,

Jeff Sachse

## Faith

---

**St. Peter the Fisherman Church** is always **in need of volunteers** for various supporting roles for weekend masses. Please consider volunteering to help demonstrate that the Knights of Columbus can be counted on as the strong right arm of the Church. To volunteer, please contact the parish.

We continue to have a growing group after our monthly meeting that hangs around to pray the Chaplet of Divine Mercy following the business meeting. Additionally, if the meeting runs less than one hour this is used as the closing prayer for the meeting in support of our intentions for the meeting and those mentioned as part of the good of the order. It is truly uplifting to see the group of men praying for something more. The spirit of community and the power of our prayer is evident. I ask that more of our brothers consider joining.
